A Pathwork Metaphysics

Though Time is an Illusion

We say...

"In The Beginning"

Pre-Incarnation, Pre Fall

- State of Purity
 - God's Will followed with Joy
 - Love and Oneness Permeate Life
 - Truth Honored and Treasured
- Primary Experience...
 - Limitless Abundance and Expansion
 - Limitless Love and Connection
 - Limitless Wisdom
 - Limitless Power
 - Limitless Creative Capacity
- Hence...
 - No Pain
 - No Frustration
 - No Wants or Needs
 - No Uncertainty or Doubt
 - No Separateness or Loneliness
 - No Lack of Trust in God, Life
 - Flow with Will of God and Life

Original Plan

Create Beings "Compatible With" God

- Consciousness/Energy
 - Free Will
 - Power to Create

"Task"

Fill the "Void"

Original Plan

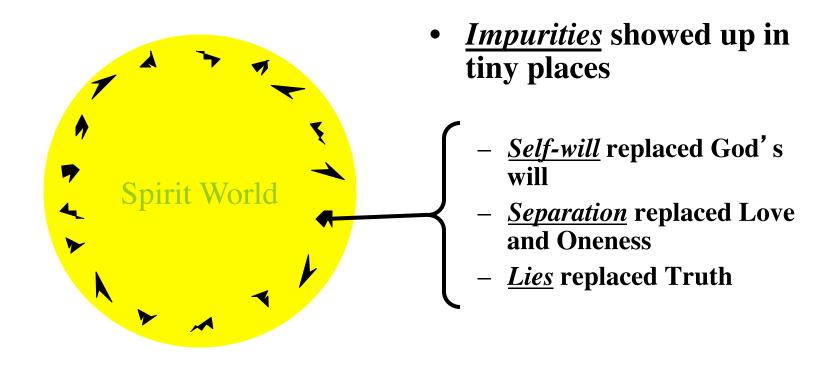

Create Beings "Compatible With" God

- Consciousness/Energy
- Free Will A PROBLEM
 - Power to Create

"Task"

Fill the "Void"

With the Fall

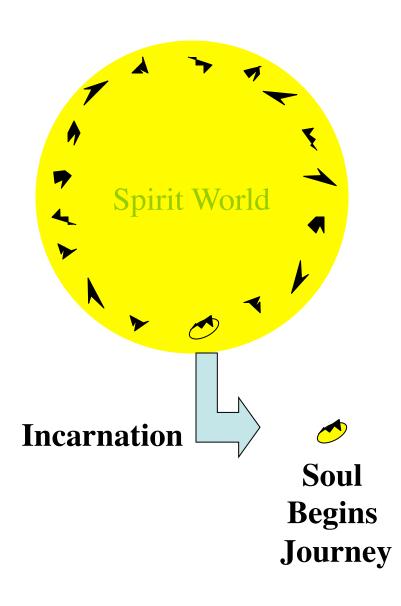

The Divine Overshadowed the Impurities

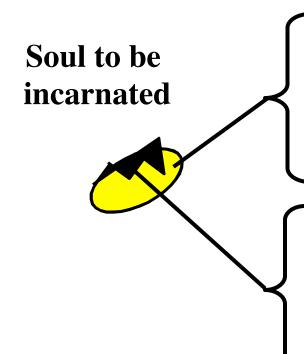

- The impurities were so tiny that they could not be seen or felt and had no major impact on life in the presence of the Divine
- There was *no motivation* to purify the impurities.
- YET the impurities had to be purified -- without violating free will.

The Plan of Salvation

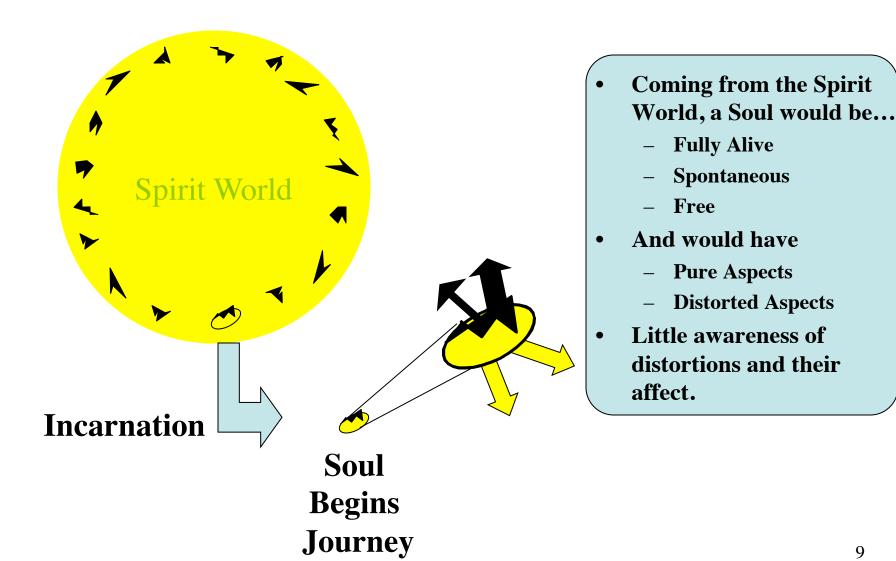

- Pieces of Spirit (Souls) with the their impurities (dents) would incarnate in a world with other Souls and their impurities.
- These incarnated Souls would be very limited in their Divine Power.
- As a result of limited access to full divinity, incarnated Souls would be
 - Largely Unconscious
 - Confused
 - Uncertain
 - Groping
 - Relatively weak
- This would allow the impurities to be more dominant and their effects more easily seen and felt -- PAIN would show up!
- From here purification would be possible and Souls would be motivated to do the work of purification -- to get out of PAIN and return to Joy and Peace! Of their own free will.

On A Soul-by-Soul Level

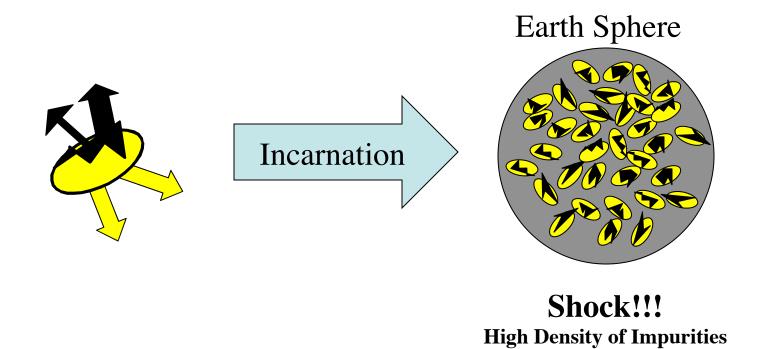

- State of Purity
 - God's Will followed
 - Love and Oneness
 - Truth
- Fallen State (Soul Dents, Distortions)
 - Self-will replaced God's will
 - Separation replaced Love and Oneness
 - <u>Lies</u> replaced Truth

Individual Soul's Incarnation

Earth Sphere Existence!

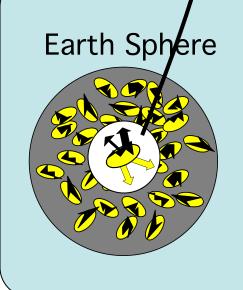

Soul's Expectation Entering Earth Sphere

Spirit World Earth Sphere

- Soul's Expectations (from Spirit World)
 - Limitless Abundance and Expansion
 - Limitless Love and Connection
 - Limitless Wisdom
 - Limitless Power
 - Limitless Creative Capacity

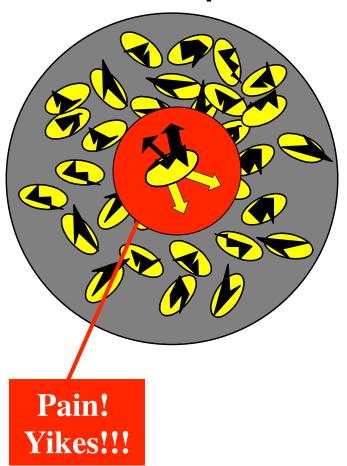

But What Soul Gets Instead...

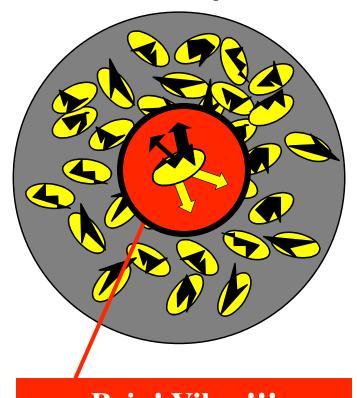

- What Soul gets instead -- due to unconsciousness and density of impurities in self and others (especially parents)...
 - Pain
 - Frustration
 - Unmet Wants or Needs
 - Uncertainty and Doubt
 - Separateness and Loneliness

Earth Sphere

- Soul feels <u>Huge Betrayal</u>
 - Pain
 - Frustration
 - Unmet Wants or Needs
 - Uncertainty and Doubt
 - Separateness and Loneliness

Earth Sphere

Pain! Yikes!!!
But Hold Onto the
Pain

- In animals the pain is "shaken off" when the experience is over.
- In our higher brain function, humans REMEMBER and HOLD ONTO the PAINS of CHILDHOOD -- the STORY
- But this remembering is mostly unconscious.

Earth Sphere

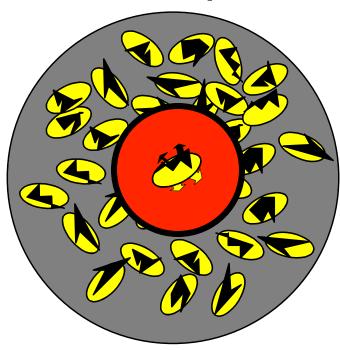

- Thinking happens
 - Generalized Assumptions about Life
 - Can't trust authority, etc., etc., etc., etc.
- But again is *largely* unconscious!

Earth Sphere

• Negative Emotions (fear, anger, hate, etc., etc.) arise and are stored in the Body -- and again, *largely unconscious*

Earth Sphere

• Negative Emotions (fear, anger, hate, etc., etc.) arise and are stored in the Body -- and again, largely unconscious

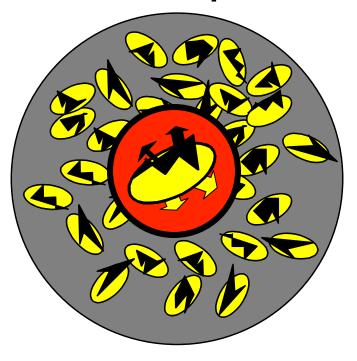

The Pain Body Is Born

Pain Body: The unconscious accumulation of old emotional pain that almost everyone carries in his or her energy field because of the human tendency to perpetuate old emotions. (Tolle "A New Earth)

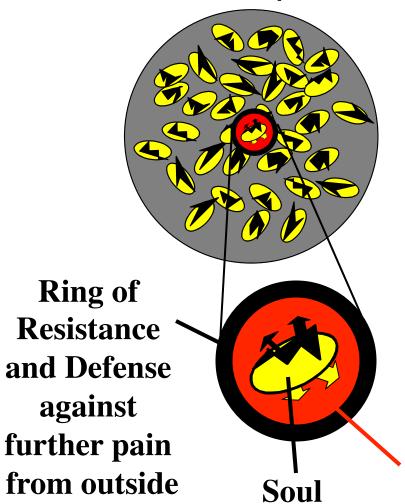

Earth Sphere

- Unconscious Pain Body Leads Soul to <u>Not Trust</u>
 - In Divine
 - In Life
 - In Authority
 - In Love
- Soul Trusts only <u>Egoic</u> <u>Self</u> for Survival
- Separates from all outside self. "I'll Rely only on ME."

Birth of Resistance and Defense!

Earth Sphere

Soul, at child level,
 Resists and
 Defends
 Against Pain it
 experiences as
 coming at it
 from the Earth
 Sphere...

Pain Body -- "remembered" pain from unconscious childhood experiences

Birth of the Lower Self

Earth Sphere **Original Soul Dents** (Impurities) Lower Self Soul

This Ring of Resistance is called the Soul's

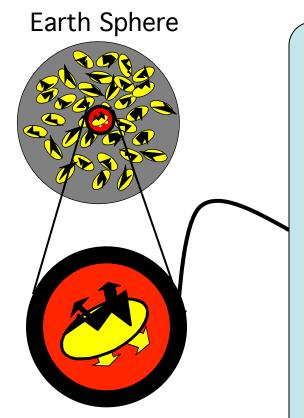

Lower Self

In Contrast to its Divine aspects which is called the Soul's

Higher Self

Higher Self

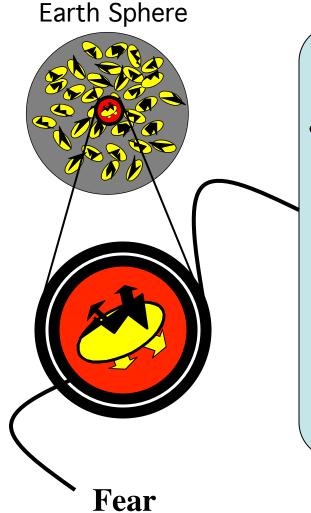

The Lower Self Grows and Develops

Fear

- Wrong Generalized Beliefs -- The Pains I faced as a child will now annihilate me as an adult
 - If I'm hurt in any way I must perish
 - If I don't have it all, I'm nothing
 - If I don't know it all, I'll be shamed and killed
 - If I'm not loved 100%, exclusively, by everyone all the time, I'll be annihilated
 - If I can't do it all, create it all, I'm worthless
 - Sense of COLLAPSE, Terror of collapse
 - Attitude: NEVER TRUST LOVE, LIFE or EXTERNAL AUTHORITY

The Lower Self Defense Grows and Develops

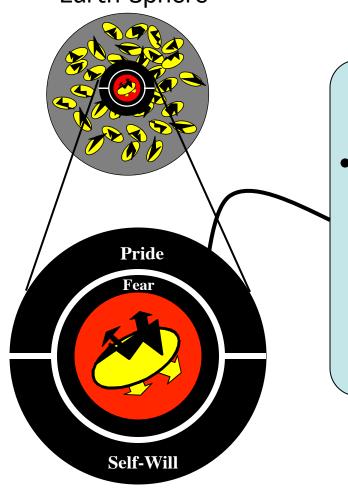

Self Will

- Unconscious <u>Wrong Strategy of</u> <u>Defense</u>
 - I will not be hurt!
 - Voracious acquisition and hoarding to not feel fear and pain body
 - Destructive Power against anything that opposes -- Clashing with environment
 - High intensity of power and action
 - I don't need to know, just act
 - Attitude: INTENSE "MAKE IT HAPPEN"

The Lower Self Grows and Develops

Earth Sphere

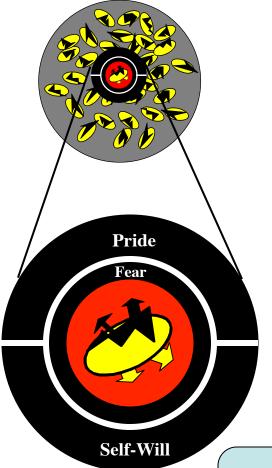

Pride

- Unconscious <u>Wrong Strategy of</u> <u>Defense</u>
 - I cannot be hurt
 - I am entitled to infinite amounts of all that I want -- love, wisdom, power, creative capacity
 - Attitude: DEFIANCE, NUMBING
 OUT, RISE ABOVE

The Lower Self Grows and Develops

Earth Sphere

Lower Self Defenses

- Fear --
 - Wrong Generalized Beliefs -- The
 Pains I faced as a child will now
 annihilate me as an adult
- Self Will --
 - Wrong Strategy of Defense not to face the fear or the pain
- Pride ---
 - Wrong Strategy of Defense not to face the fear or the pain

Pain Body, Lower Beliefs and Self Defenses, *are all mostly unconscious*

The Impact of Abuse on Children

- Severe Childhood Pain
 - Severe Physical Abuse
 - Severe Sexual Abuse
 - Severe Emotional Abuse
- Specific Pain is Generalized
- Fear becomes TERROR
 - I dare not ever experience such pain again
 - If I do, I'll collapse and be annihilated
- Pride and Self-Will become impermeable, impenetrable walls of defense against feeling the pain or the fear of the pain
 - Any threat will be met with defenses of Self Will or Pride

Healthier Childhoods Still Bring Challenges in Adulthood

- "Healthier" Childhoods still have some pain
 - Sometimes mild Physical Abuse
 - Sometimes mild sexual Abuse
 - Usually mild to deeper Emotional Abuse
 - Often more pains of *omission* (emotionally absent parent, etc.) than *commission*
- Fear, not terror, is still present
 - Some situations bring of fear of childhood pains
 - Some degree of seriousness
- Pride and Self-Will become walls of defense against feeling the fear or the pain
 - Some threats will be met with defenses of Self
 Will or Pride

Degrees of Childhood Issues

Very challenging to work through -- may be beyond Pathwork and require extensive psychological therapy to break through

Moderate

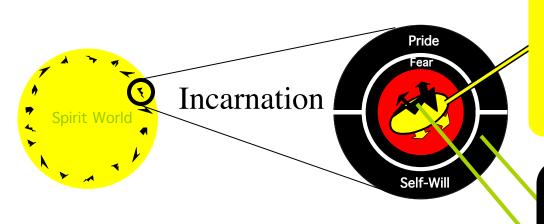

Challenging to work through -- Pathwork is generally very effective

Mild

Some needs, but may not require the intensity of Pathwork

Individual Soul's Real Self Has Two Parts

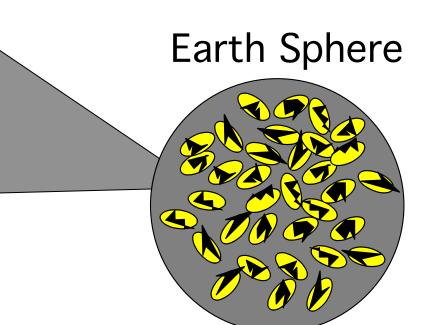

Lower Self "Revs Up" the Impurity or Soul Dent So That the Soul Dent's Influence Will Be Obvious

- Higher Self
 - Divine Self
 - God's Will followed
 - Love and Oneness
 - Truth
 - **Lower Self**
 - Impurities
 - <u>Self-will</u> replaced God's will
 - <u>Separation</u> replaced Love and Oneness --Fear
 - <u>Lies</u> replaced Truth --Pride

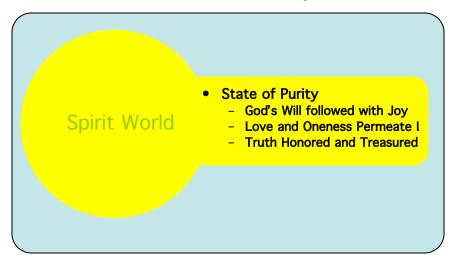

To Survive, Culture Has Established Authority and Set Up RULES

- Authority
- Rules for
 - Morality
 - Success
 - Love
 - Correctness
- Curbs Lawlessness
- Creates Norms

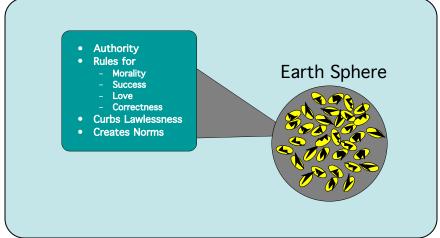

These Rules and Authority Have the Form of Our Original Divinity, but have neither the Power nor the Spirit. They are Pretense and Not our Real Higher Self

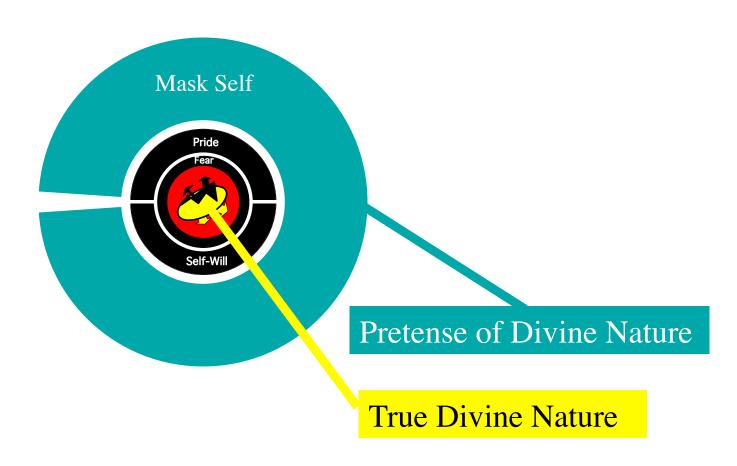

Real Divinity

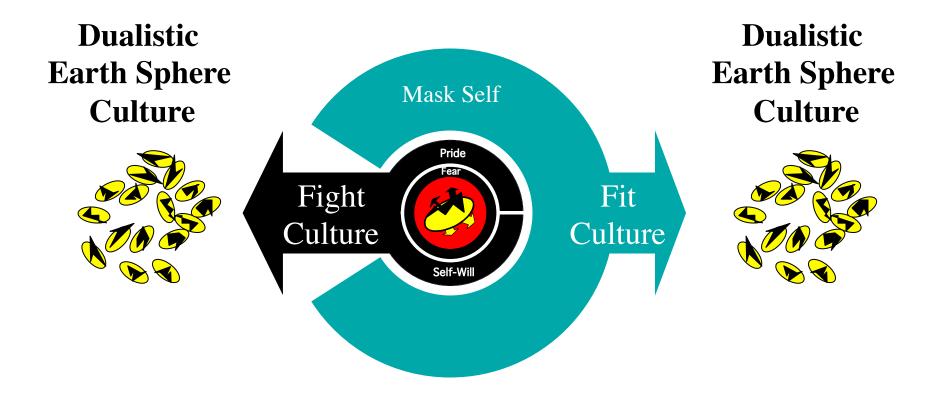

Pretense of Divinity

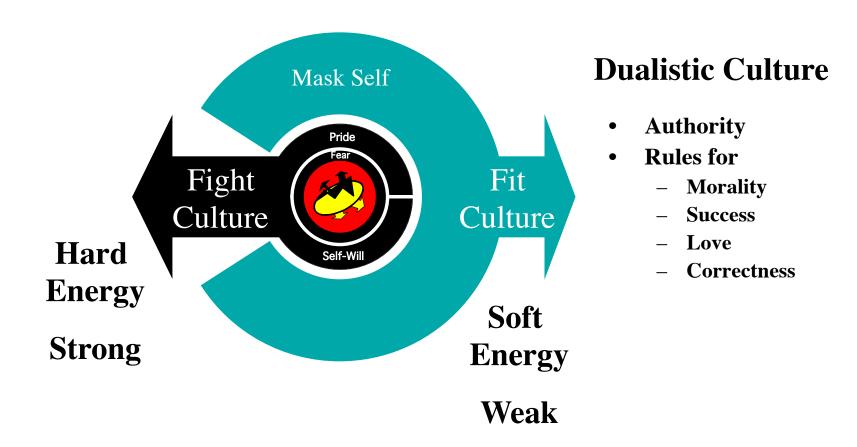

So Cultural Authority Curtails the Childs Lower Self -- and the Mask Self is born

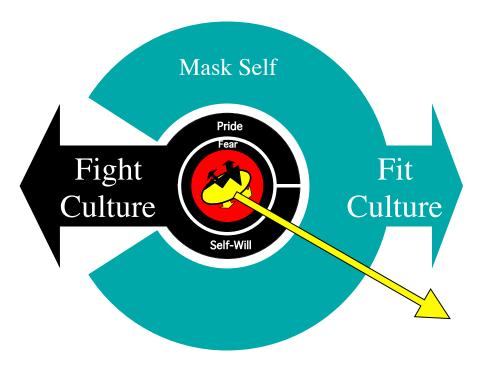

Development of the Mask Self

Development of the Mask Self

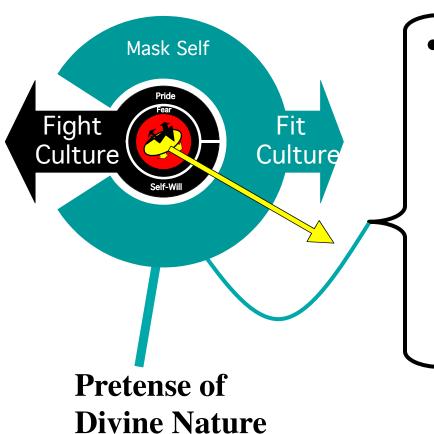

Some Higher Self (Divine) Aspects Manifest

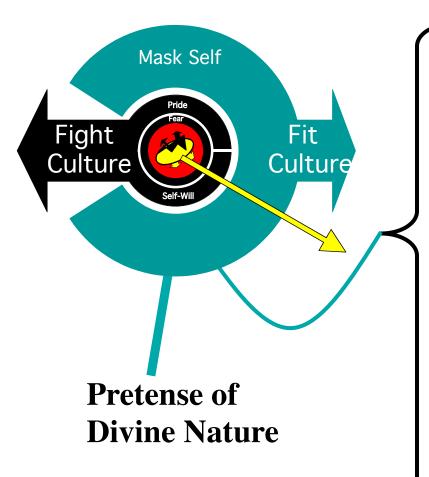

Higher Self Aspects Bless Culture

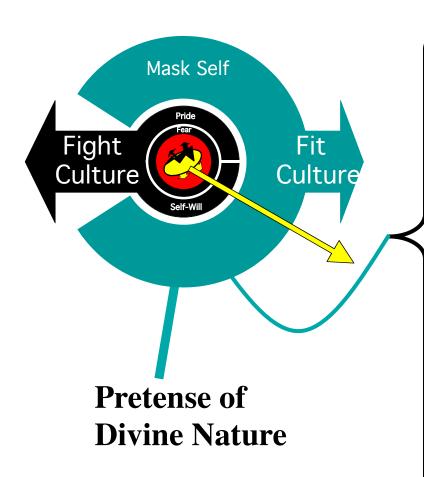

(Creativity, Wisdom, Love, ...)

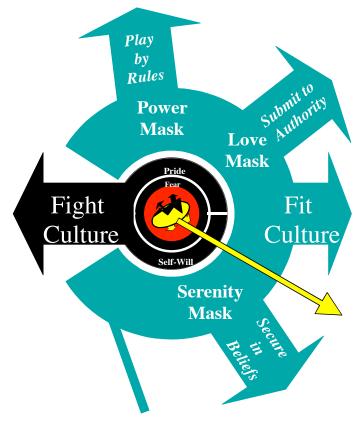

- Power Mask -- play by the *rules* of the culture
 - Busy workaholic to succeed in culture
 - Success defined by culture
 - Finds "security," identity and "happiness" in recognition for accomplishments

- Power Mask -- play by the *rules* of the culture
- Love Mask -- submit to the *authority* in the culture
 - Do whatever authority asks
 - Finds "security," identity and "happiness" in authority
 - Parent
 - Government, Company, Church, Etc.

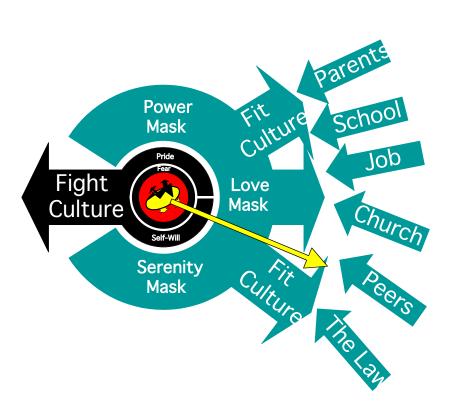

- Power Mask -- play by the *rules* of the culture
- Love Mask -- submit to the *authority* in the culture
- **Serenity Mask** -- finds security in the *beliefs* of the culture
 - Trusts that culture is RIGHT
 - Intellectual Coolness and smugness in beliefs of culture
 - Finds "security," identity and "happiness" in the beliefs of the culture

Pretense of Divine Nature

- Power Mask ---
 - play by the *rules* of the culture
- Love Mask --
 - submits to the *authority* in the culture
- Serenity Mask --
 - finds security in the *beliefs* of the culture

Mask Works on Reward/Punishment System, Not Direct Manifestation

From Mask...

Oh Reward Me

Love Me

Save Me

Don't Punish Me

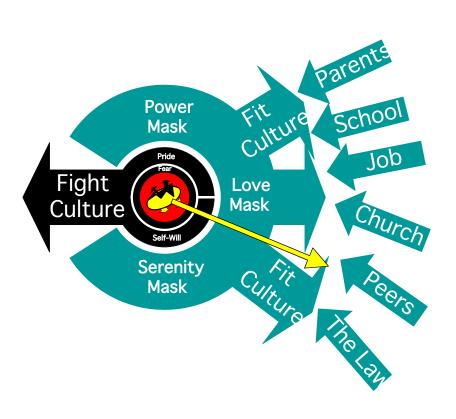

From Higher Self...

Direct Manifestation

True Love

Truth, Wisdom, Peace

Mask Self Comes From The Child Self

From Mask...

No Self-Responsibility --Results depend on others

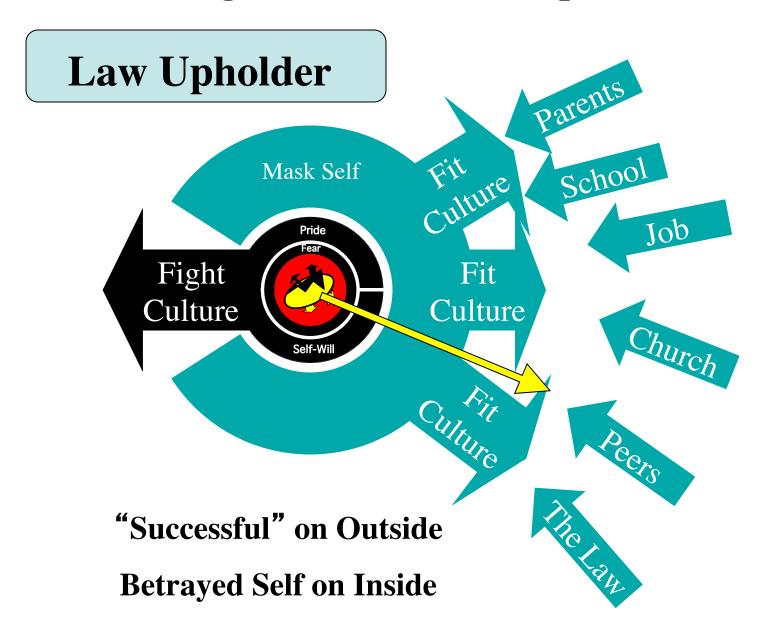

Not willing to Pay The Price for Manifesting What One Wants

From Higher Self...

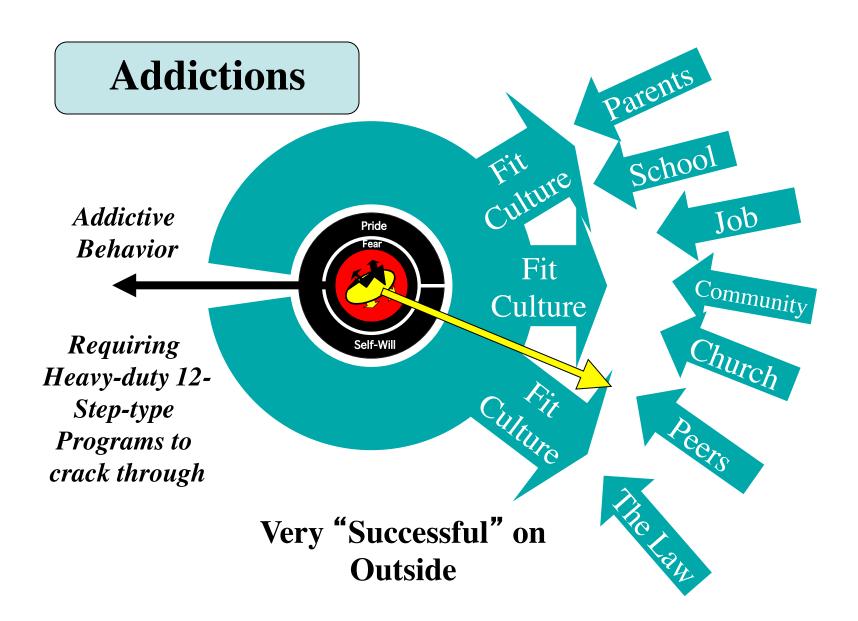

Self Responsibility, but calling upon Divine Help

Patient, Surrendered

Degrees of Mask Development

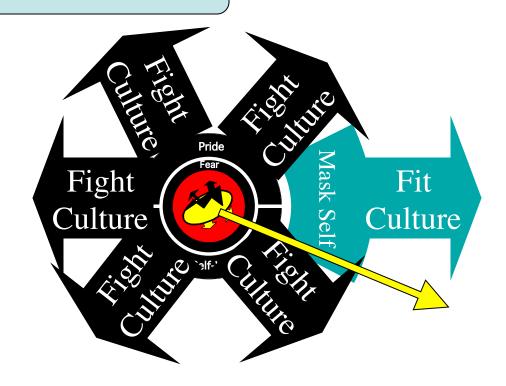

Degrees of Mask Development

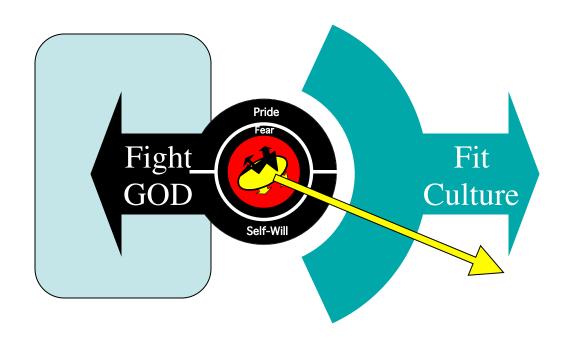

Degrees of Mask Development

Law Breaker

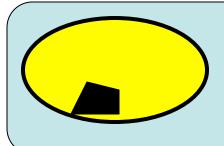

In many ways the Law Breaker is farther along the path than the Law Upholder!

Lower Self Moves from Fighting Culture to Fighting GOD

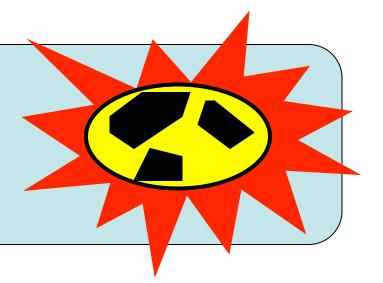

Intensity in the "War" of Life

No "War." Smooth Transformation happens due to dominance of *Higher Self* aspects.

Crises, Destruction, and Heavy Battling in Transformation due to nearly equal quantity of Higher and Lower Self aspects. BUT Transformation DOES HAPPEN.

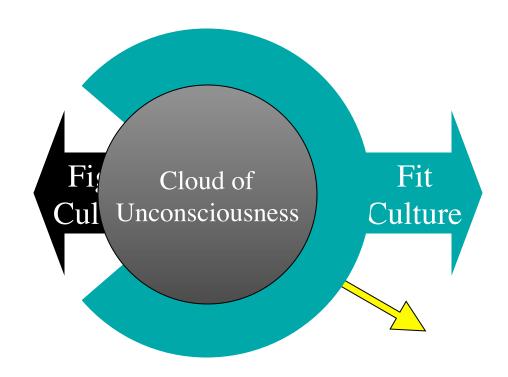

No "War" <u>and</u> No Transformation due to dominance of Lower Self aspects

The Issue of Unconsciousness

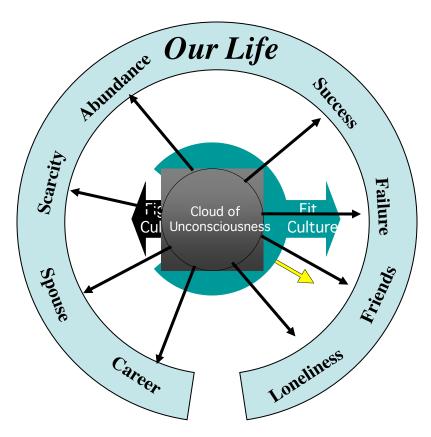

Aware of outer behavior only
No sense of inner reality or cause & effect

Identified with Mask Self, Lower Self Aspects

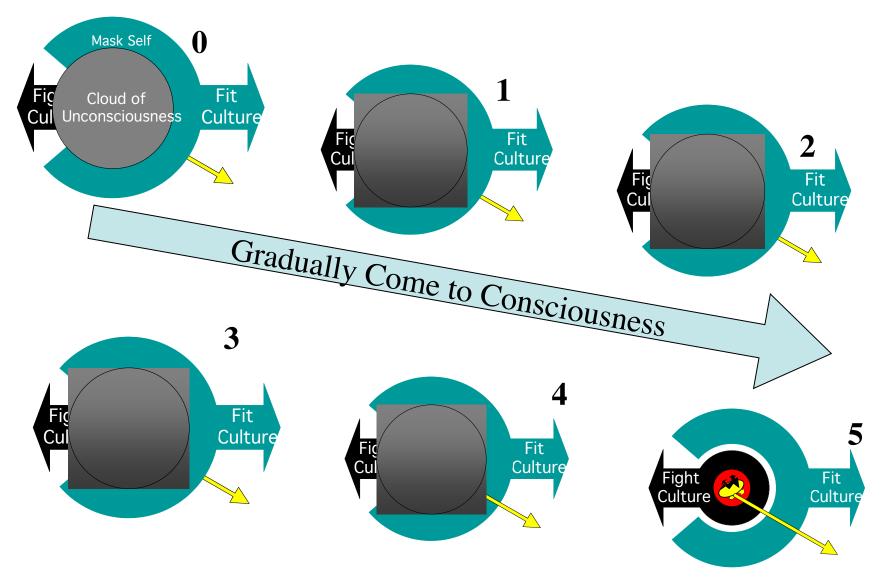

The Issue of Unconsciousness

Yet We Manifest Our Entire Life from Within this Cloud of Unconsciousness

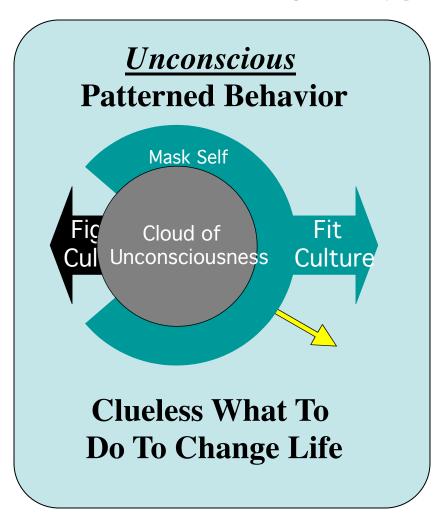

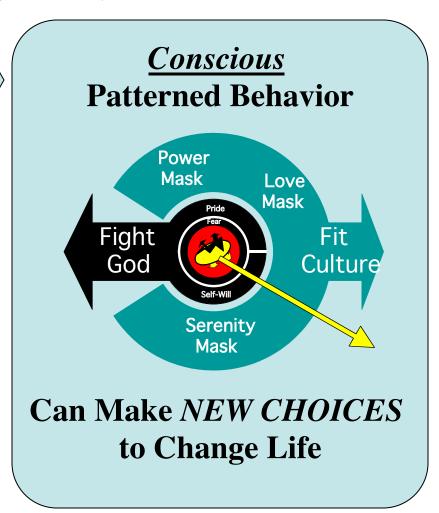

The Soul is quite confused -- no real sense of cause and effect -- especially in problem areas

Need to Wake Up -- Come to Consciousness

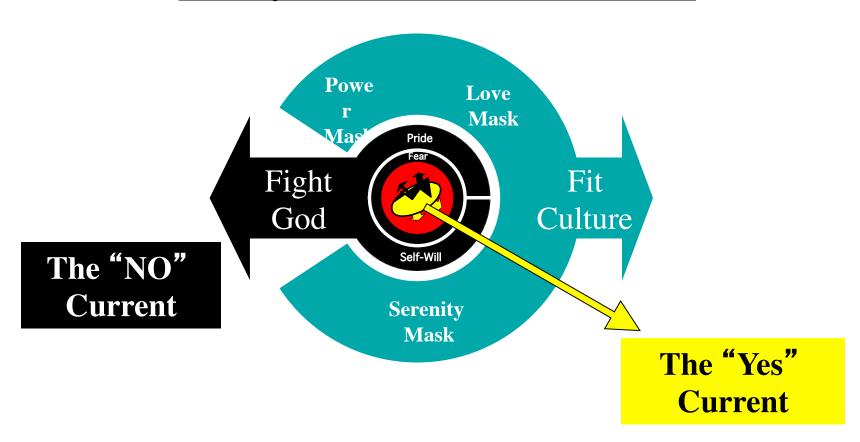

Once We "Wake Up" We Can Observe Ourselves and Find the Truth -- From Here We Can CHANGE OUR LIVES

But We Are Invested in Our Old Selves, So It Is STILL <u>Hard Work To CHANGE</u> <u>Even if we Know and Understand</u>

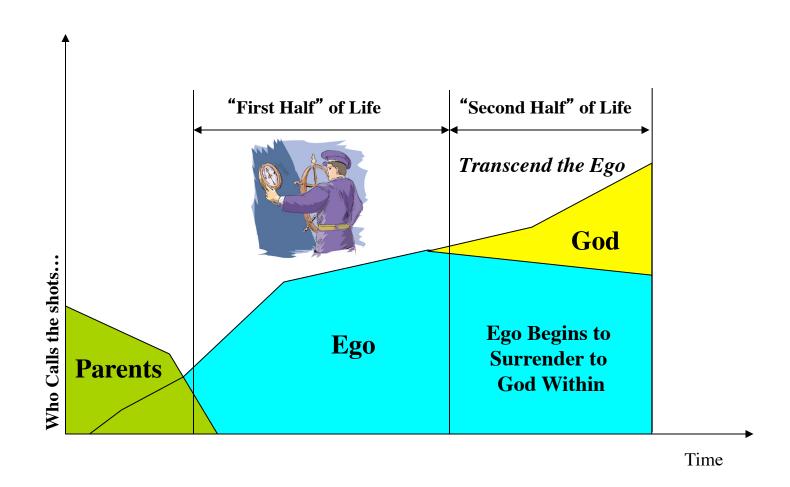

Role of the Ego Self

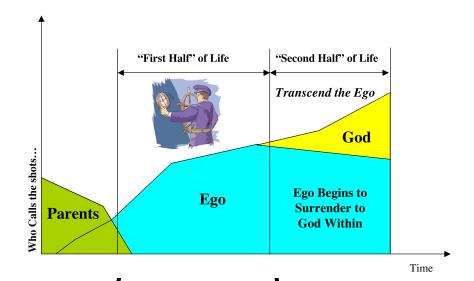

- Ego -- The Captain of the Soul's Ship that Chooses, Reacts, Responds, Acts...
 - Based on own needs, goals, desires, understanding, intuition, feelings, etc., <u>as the ego understands it</u>
 - In the face of the outside world, as the ego understands it and its "rules."

Who Is Calling the Shots?

Ego Matures

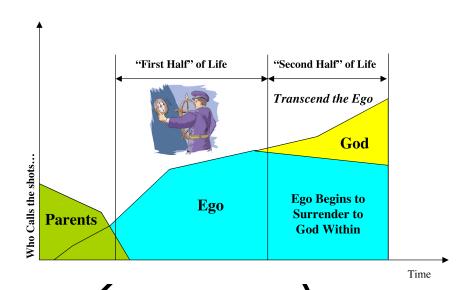

Immature Ego

- Blaming, not take responsibility
- Operates from Wrong or limited Understanding
- Impatient -- acts without thinking
- Child-like
- Low level of consciousness
- Imbalanced use of will, reason, and emotion.
- Self-centered

Mature Ego

- Self Responsible
- Operates from broader Understanding
- Patient
- Becomes Objective Observer of Life and pieces of personality (Higher Self, Lower Self, Mask Self, etc.)
- Comes to higher level of consciousness
- Balanced use of will, reason, and emotion
- Surrenders self to higher cause

Strong/Weak Ego

Weak Ego

- Accomplishes Little
- Vacillates, blows with wind
- Undisciplined
- Cannot commit to a long view
- Weak Leader

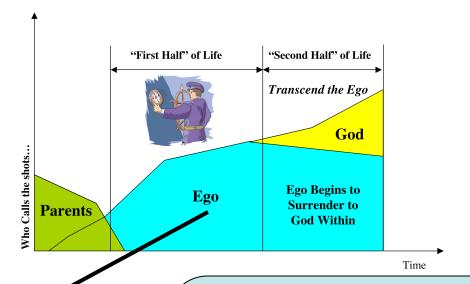

Strong Ego

- Accomplishes Much
- Solid, often rigid, world view
- Disciplined
- Can take the long view and commit to it
- Strong Leader -- career, family, church

But!!!!

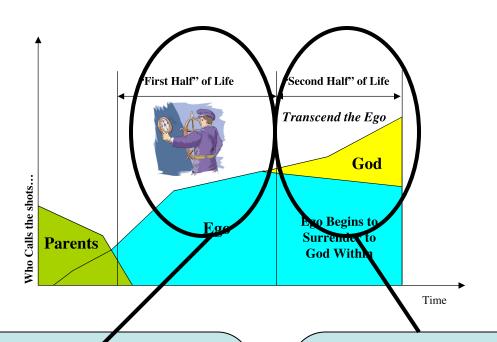

While the Strong Ego...

- Accomplishes Much
- Solid, often rigid, world view
- Disciplined
- Can take the long view and commit to it
- Strong Leader -- career, family, church

He/She can be...

- Unconscious -- on automatic pilot
- OR Semiconscious
- OR Selectively Conscious of only
 - Higher Self (Artist, Genius, Guru)
 - Lower Self (Criminal)
 - Mask Self (Fit the System)
 - Worldview (Materialistic)
 - Religion (Form)
- OR Have Blind Spots
 - Especially regarding Lower Self
- OR Be Fully Conscious

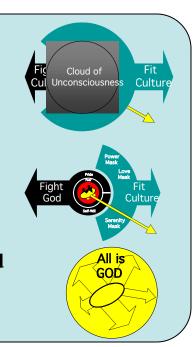

Two Halves of Life

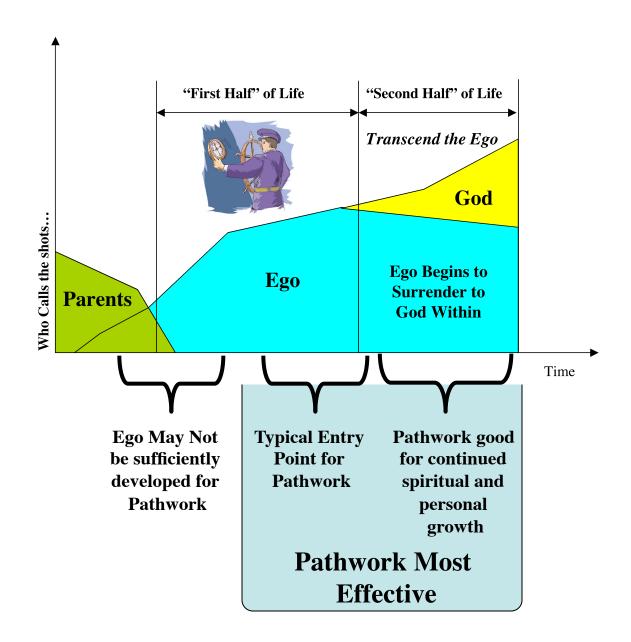

- First Half of Life...
 - Develop Strong Ego

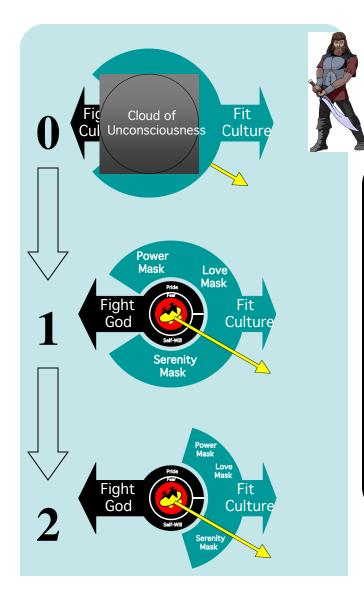

- Second Half of Life
 - Wake Up!
 - Come to increasing consciousness on all levels
 - Transcend the Ego
 - Surrender to God Within
 - Transform Lower Self
 - Continue the Path Into God
 - Fulfill Plan of Salvation!

Pathwork and the Ego

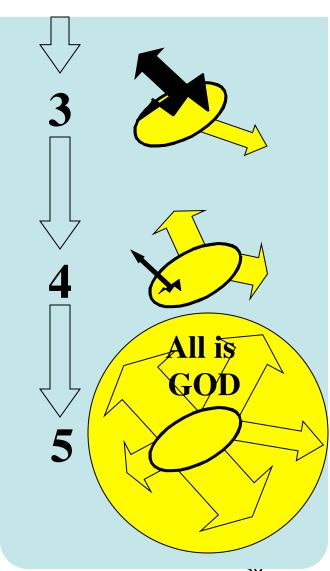

Plan of Salvation on a Soul Level

Gradually, Organically, In various areas of life at a time...

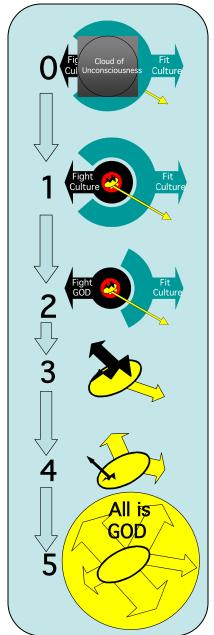

- 1. Become Ever More Conscious
- 2. Remove More of Mask
- 3. Transform More of Lower Self (Purification)
- 4. Manifest More of Higher Self
- 5. Experience Oneness with God, Wakes Up!

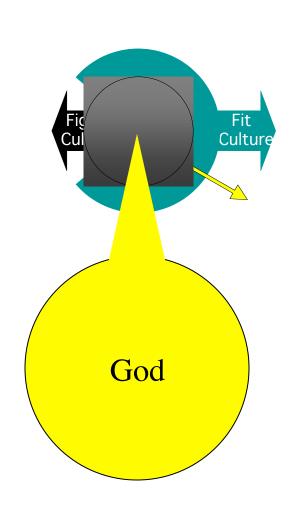

Thousands of Incarnations in all A Nonlinear Process

The Soul's Ego Can Not Do This Work Alone --

Needs to Ask for Spiritual Help

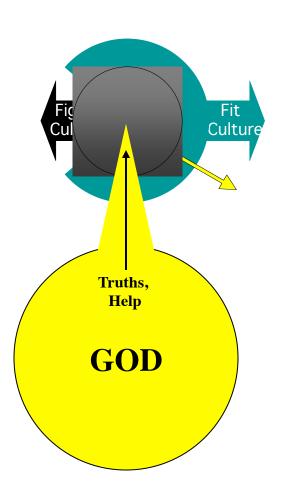

Soul's Mature
Positive Ego
Surrenders to God
Within ...the
Higher Self

Which is the Link to God, the Link to ALL THAT IS.

While Truths and Spiritual Help Come from Within, External Truths CALL INNER TRUTH OUT

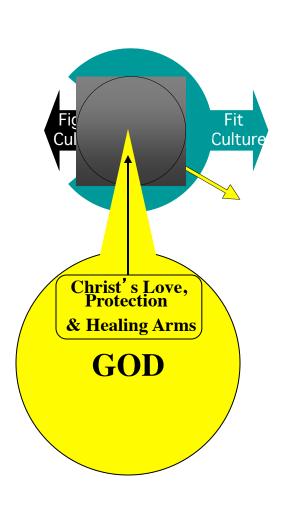

External Truths resonate with and call forth Truth from within.

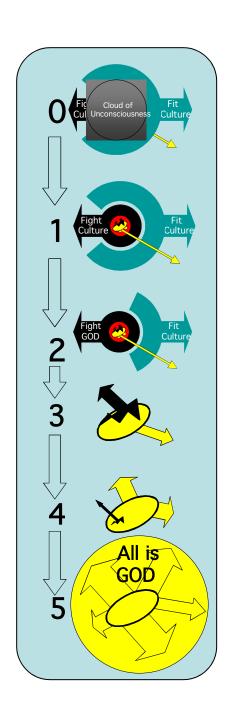

Truths are *not* absorbed from the outside and imbedded in the intellect.

Likewise, Spiritual Help ultimately comes from within.

Spiritual Help from Jesus Christ

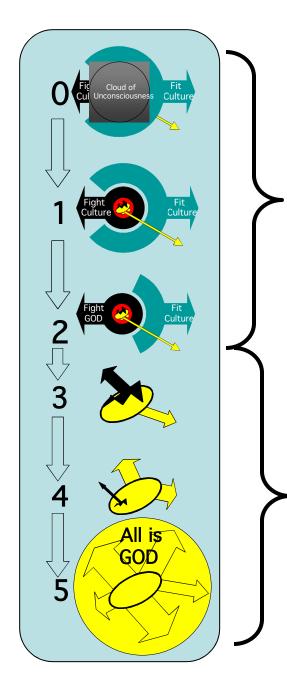

"Christ is here. He hears you, He loves you, He protects you, He is deeply concerned with you, even though your senses are still too dull to perceive it. *The* time will come suddenly when you will be intensely aware of this fact. You will feel His loving, healing arms in which you can always rest and find new sustenance for your life task." (PWL 258 ¶25)

How Does Pathwork Support The Plan of Salvation?

Pathwork

- Pathwork Lectures
- Spiritual Practices
- Helper Sessions
- Group Work
- Core Energetics
- Etc.

How Does Pathwork Support The Plan of Salvation?

Phase 1

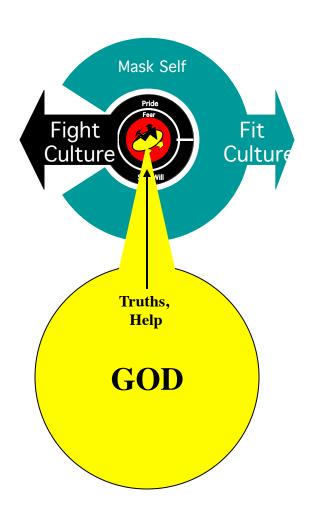

Phase 2

Pathwork

- Phase 1
 - Psychological Work
- Phase 2
 - Spiritual Work
- BOTH REQUIRED in each step of the process of transformation
 - One does not "out grow" Phase
 1 aspects -- always uncovering
 deeper layers of Mask and
 Lower Self
 - One Needs Divine Help to do this work -- Ego is not capable alone.

How Does Pathwork Support The Plan of Salvation?

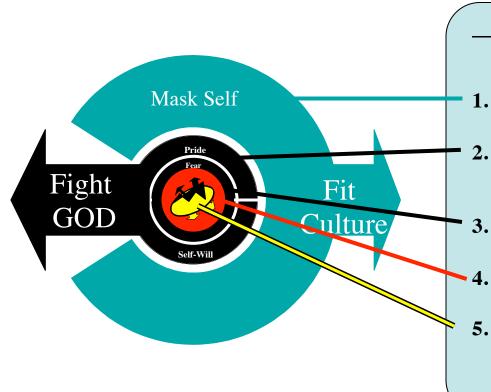

Lecture Study, Meditation, Spiritual Practices

- **Lecture Study**
 - Calling Forth Inner Truths
 - Nurturing the Soul in Wisdom and Love
- Meditation
 - Listening to God
 - Listening to Inner Body Wisdom
- Spiritual Practices
 - Regularly Grounding Soul in God

How Does Pathwork Support The Plan of Salvation?

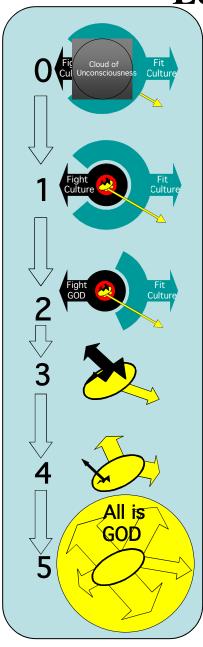

Core Energetics, Gestalt/Process Work, Breath Work

Emphasizing the BODY, dropping out of the Thinking Mind, getting into Feelings in Body, and Waking Up.

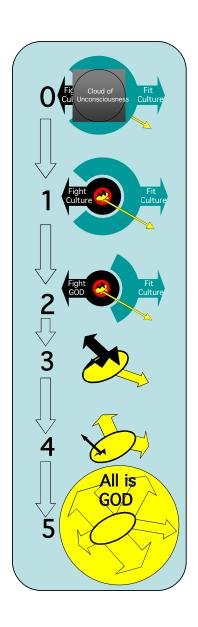

- 1. Drop the superficial mask via core energetic exercises
- 2. Get in Touch with Rage, Anger, Withdrawal and other Pride/Self-Will Defenses.
- 3. Drop into Fear of your pain underneath Pride and Self-Will
- 4. Drop into the Pain Body, Feel the Pain, Sadness, Vulnerability, Longing
- 5. Feel the Pain fall away, Feel Your Spirituality, Connection to Higher Self, Your Heart Opening, and Connection to Others arise.

Levels of Commitment to Pathwork

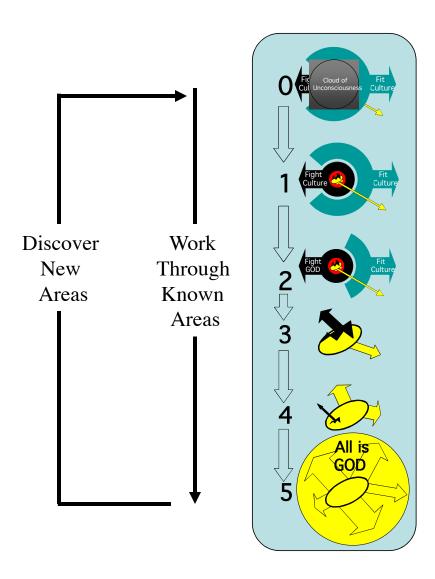

- Levels of Commitment
 - Reading/Studying Lectures
 - Lecture Study Groups
 - Workshops (2-4 days)
 - Transformation Program (5 Years)
 - Advanced Pathwork Studies (2 Years)
 - Helper Training (3 Years)
 - Helper Apprentice
 - Helper
 - LIFE

Work Does Not Slow Down but INCRASES

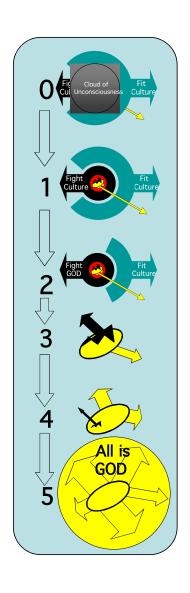

- The Work reveals ever more subtle but critical...
 - Images
 - Wrong Conclusions
 - Lower Self Aspects
 - Higher Self Aspects
 - Mask Self Aspects
 - Distortions
- Hence the work never ends, but gets deeper and broader and more refined -- leading to truth, love, wisdom, joy, peace

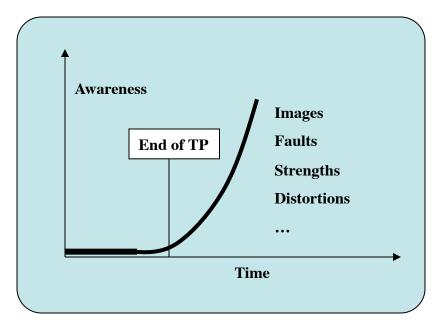

Work Does Not Slow Down but INCRASES

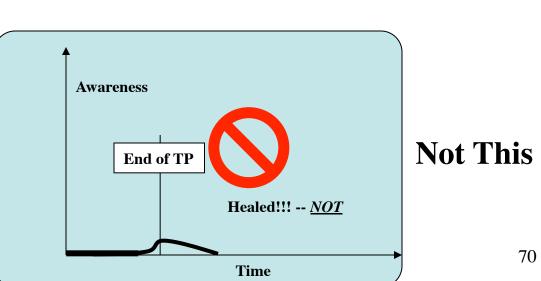

- Transformation Work Is:
 - Nonlinear
 - Organic
 - Spiral
 - Ever deepening
 - In new and more subtle and profound areas of one's life

Work Does Not Slow Down but INCRASES

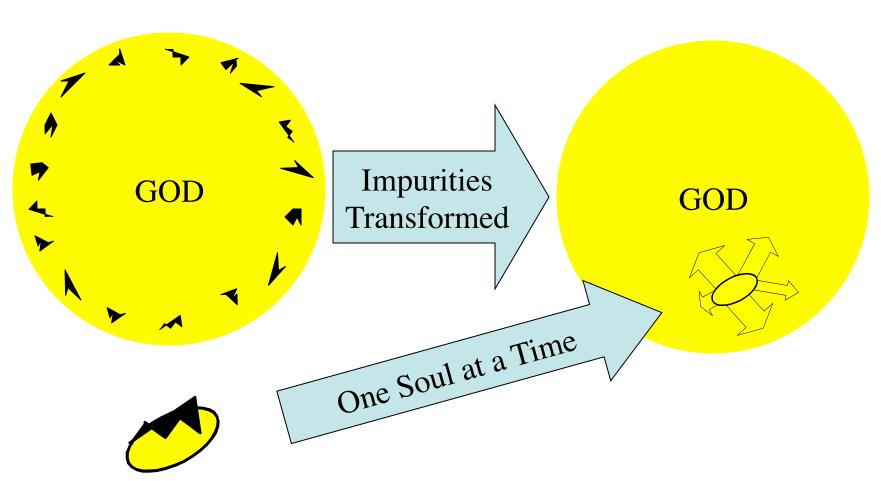

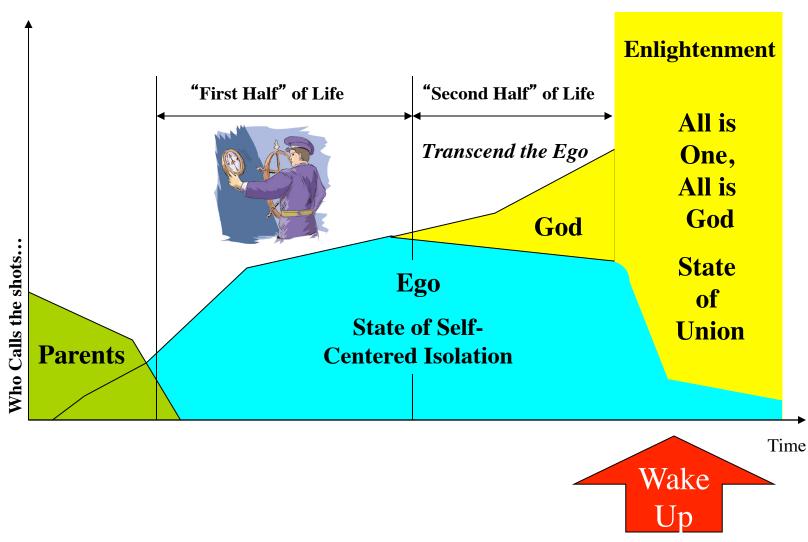

This

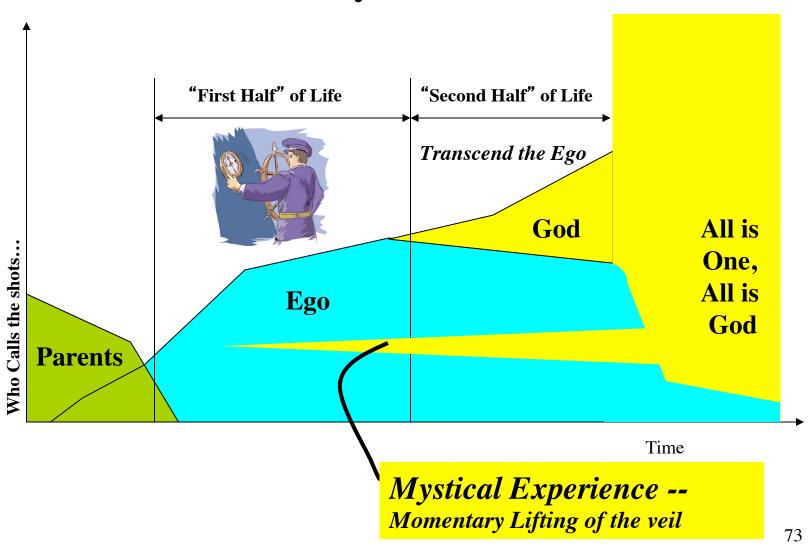

Plan of Salvation On a Cosmic Level We Do Not Do the Work For Our Sakes Alone!

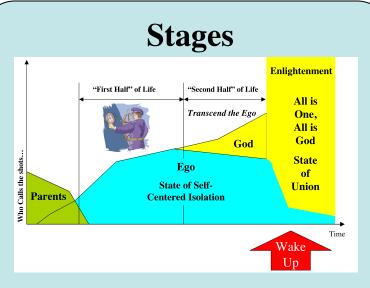

Enlightenment

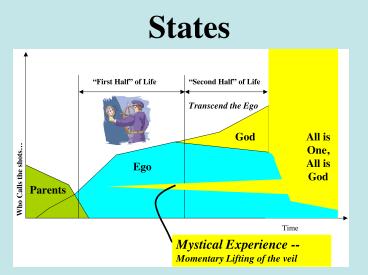

Mystical Experiences Momentary States of Union

Stages and States

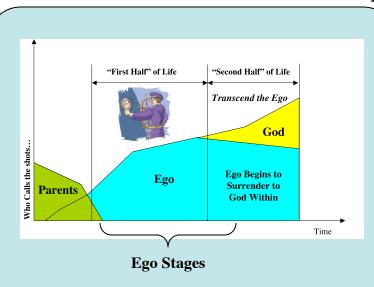

- Stages of Higher Consciousness
 - Growth to level of consciousness where one lives all of life from this higher state of consciousness
 - Usually requires years of personal and spiritual preparatory work
 - Comes spontaneously
 - Ongoing purification work required

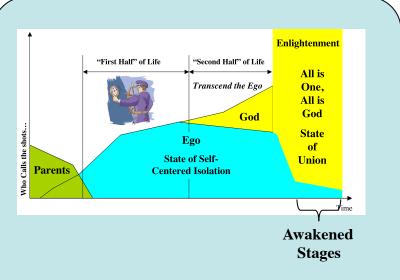

- States of Higher Consciousness
 - Can come spontaneously at any time
 - Or be induced intentionally
 - Breath work
 - Psychedelics, etc.
 - Does not usually result in a shift in stage of consciousness
 - But gives vision and hope for what is possible -- a taste of Union
 - Ongoing purification work required

Personal/Spiritual Growth

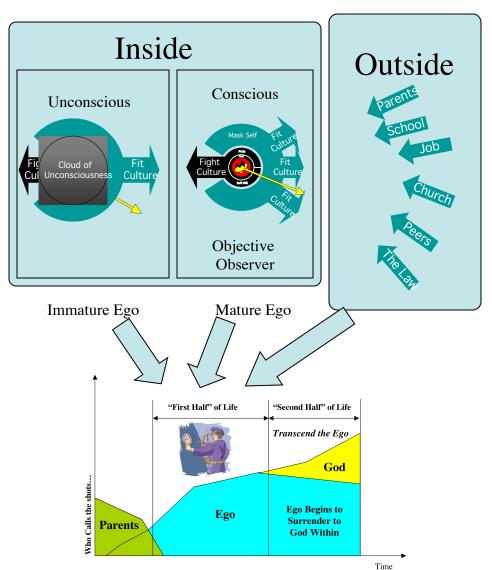

- At Ego Stages of Consciousness
 - Individuated from Parents
 - BUT in a Stage of Self-Centered Isolation
 - Resists Union, giving up separateness -- will not surrender
 - Results in FEAR and INSECURITY, a meaningless and purposeless life

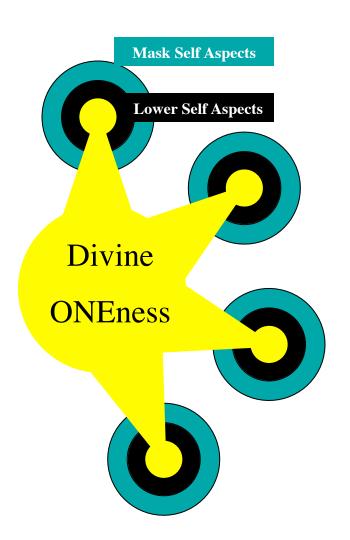

- At Awakened Stages of Consciousness
 - Stage of Union with All
 - Part of a Whole
 - Surrendered to God Within
 - Results in JOY and SECURITY, a purposeful and meaningful life

What Informs the Ego? L158 ¶19ff

- Outside world
- Inside world
 - Conscious, Unconscious
 - Mask, Lower Self, Higher Self (Real Self)

Unified Within, Separated Without

PWL 217 ¶20b See also ¶26

When we speak of the fact that the whole universe is permeated with consciousness, this is indeed a truth. Separated organisms, objects and entities are separated only on the surface level. But within and beneath that surface level there is a constant interaction.

- My Stepping Stones
- More Detailed Look

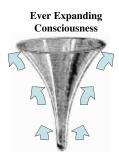

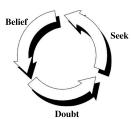

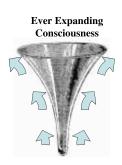

- 1. Born into German Lutheran Family
- 2. Followed the rules, never questioned, was peaceful and felt I belonged.
- 3. Enjoyed structure of spirituality, interested in science and religion, but never risked sharing things outside doctrinal beliefs of family. Very mental and enjoyed it.
- 4. Hated family devotions, not fit what was arising within. No room for family *discussions* on matters spiritual.
- 5. Became increasingly private of what was growing within. Led a double life -- one to fit in with parents' conservative belief system, the other what thrilled me (cosmology, spirituality, ultimate meaning and truth). All mental.

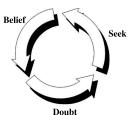

- 6. Married non-Lutheran, but would not even consider leaving conservative Lutheran Church (LCMS). Little emotional "in love" feelings with wife. College, Job, all engineering, conceptual.
- 7. In late twenties very interested in paranormal phenomena, Edgar Cayce, other religions. Could never discuss with others. Private. Mental.
- 8. When I was 29, my parents were killed. I immediately came back to my church roots. Became more fundamentalist, listened to Bible readings and Swindol every day, taught bible classes at church and at work. Stayed this way for 10 years.
- 9. In early and mid forties I was successful from all outside appearances, but was miserable. I was deeply engaged in and identified with work, United Way, Church, so rigid, in a marriage where I felt little emotional connection (wasn't sure what emotional connection was). BUT I would not leave the church, though on the inside I felt nothing and knew something wasn't right.

- 10. When I turned 50, a Catholic nun I met talked about Spiritual Direction, I started a support group with her, fell hopelessly in love with her. Gave myself over to this secret relationship fully for five years. Woke me up emotionally! Continued job, church, family activities, but they meant little.
- 11. Began dismantling my life -- nun left, I retired, left church, left wife. Rudderless. Several relationships, none really satisfied, in the desert.
- 12. At 58, in August 2000 on directed retreat I broke down. Director said, "Gary, you are serious about your spiritual path, but you need an incredible amount of help. The only place I know can help you is Sevenoaks Pathwork Center in Virginia, 500 miles away."
- 13. In October 2000 entered TP. Rough dismantling of my inner life. Deeply drawn to the Guide Lectures. Could feel the Love of the Guide. Could experience the power of processing work, meditation, helper sessions, and group work. Seems Pathwork will serve me for years to come.
