

Sacred Dimensions of the Pathwork *3-Day Engagement ONLINE*

Cultivating Infinite Love, Compassionate Truth, Timeless Beauty

Module 12-3 Thursday 2/29 – Sunday 3/3/2024

With Kathleen Goldberg assisted by Beth Hedquist

“Since divine reality is truth and is love, truth and love must be your motto to which you totally surrender all of your being....Let all of your life, all of your actions, all of your directions, all of your goals be dedicated to the truth and love that are essential divine attributes and expressions, inside and outside of you. That is the greater leap that will land you on new ground - the divine ground. It will bring you into a new reality so widely expanded that it defies your present imagination.” [L221]

Lectures to review/read/delve into

L221 Faith and Doubt in Truth or Distortion

L133 Love: Not a Commandment, But Spontaneous Soul Movement of the Inner Self

L155 Fear of Self: Giving and Receiving

L256 Inner Space, Focused Emptiness

Suggested Preparation

Reflect on how you welcome and struggle to cultivate truth, love and beauty in your daily life. Observe your yes and no to the ugliness, hate and lies as well as to the awesome beauty of true nature, the compassion and depth of loving kindness in your heart and in the world, and the impact of facing the truth with the courage required to see all of what is in the mirror. As you take time in the coming days to reflect, let yourself be guided to what you witness within and beyond the self. We shall melt the numbness and be with what is...together.

Bring Guide quotes from the lectures above that you would like to discuss and are meaningful/challenging for you. Dig into poetry, writings, photographs, songs/music, artwork, objects from the natural world that you want on hand to possibly share with others. We will help each other awaken and deepen our sacred experience of truth, love and beauty and its apparent opposite. Follow your gaze and let yourSelf surprise you.
