Feeling the Energy of the Pathwork Lectures

This quote from Pathwork Lecture 156 *Questions and Answers*, describes how I so often feel as I work with the Pathwork Lectures while preparing for and making my recordings of them. The power in and around me is palpable. This short quote is what I feel. As this quote says, my experience cannot be denied and is the basis of my love affair with the Pathwork Lectures. ...

48	A nucleus of energy will make itself known, right in the body. It comes from the real self. Its intense reality makes the truth of all these teachings a profound experience that cannot be denied or thought to be illusion. It is this truth and reality that is so reassuring and so hopeful, no matter what relapses may occur. ...
